### **Sports Turf 150 XP**

ST150 Broadloom Tufted Polyethylene  
Pile Height 1 1/2" Pile Weight 38 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 20 oz. Urethane  
**XP= Extended Play**  
Infill Recommended  
Ideal for Indoor/Outdoor Athletic Fields  
8 Year Warranty, Roll Width 12'

### **SoftLawn® Paspalum**

SPP175 – Blended Polypropylene Polyethylene  
Pile Height 1 3/4" Pile Weight 65 oz/ square yard  
Primary backing: Stabilized Woven Polypropylene  
Secondary backing: 20 oz Urethane  
Infill Recommended  
Ideal for Outdoor Lawn Applications  
8 Year Warranty Roll Width is 15'

### **ARENA TURF 5mm**

Arena 250 / 5 mm Broadloom Tufted Polypropylene  
Pile Height 7/16" Pile Weight 40 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 5 mm Urethane Foam  
Ideal for Indoor Athletic Fields  
Portable Velcro Seam System Available  
8 Year Warranty, Roll Width 12'

### **PREMIUM ARENA TURF 5mm**

P 264 / 5 mm Broadloom Tufted Polypropylene  
Pile Height 7/8" PE and 3/4" Nylon Pile Weight 55 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene and unwoven PP  
Secondary Backing: 5 mm Urethane Foam  
Ideal for Indoor Athletic Fields  
Portable Velcro Seam System Available  
8 Year Warranty, Roll Width 12'

### **Nylon Putting Surface**

NP50 AB Texturized Nylon Pile Height 1/2"  
3 Component Primary Backing w/ Action  
Back Coating, Pile Weight 48 oz.  
Used for Indoor and Outdoor Installations.  
Ideal for Putting and Chipping  
10 Year Warranty, Installed over any Sub Surface  
Stimpmeter Reading 9-11 plus. Roll Width 12'

### **Nylon Putting Surface**

NP50 RB Texturized Nylon Pile Height 1/2"  
3 Component Primary Backing w/ Two Part  
Natural Rubber Back Coating, Pile Weight 48 oz.  
Used for Indoor and Outdoor Installations.  
Ideal for Putting and Chipping  
10 Year Warranty, Installed over any Sub Surface  
Stimpmeter Reading 9-11 plus. Roll Width 12'

### **Nylon Putting Surface**

NP45 AB Texturized Nylon Pile Height 3/8"  
3 Component Primary Backing w/ Action  
Back Coating, Pile Weight 36 oz.  
Used for Indoor and Outdoor Installations.  
Ideal for Putting and Chipping  
10 Year Warranty, Installed over any Sub Surface  
Stimpmeter Reading 8-10 plus. Roll Width 12'

### **Nylon Fringe Surface**

Total Height 3/4", Pile Weight 48 oz.  
Used for Chipping and Pitching  
Used for Indoor and Outdoor Installations  
Ideal for Croquet and Bocce Courts  
10 Year Warranty, Roll Width 12'

### **Polypropylene Putting Surface**

PP50 Broadloom Tufted Polypropylene  
Pile Height 1/2" Pile Weight 32 oz/ square yard  
Primary backing: Stabilized Woven Polypropylene  
Secondary backing: 20oz. Urethane Pre-coat  
Used for outdoor installations  
8 Year Warranty  
Stimpmeter reading 7-10 plus Roll Width 12'

### **PUTT PUTT**

Putt Putt Turf 37 100% Thiolon Polypropylene  
Pile Height 14/32" Pile Weight 32 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: Action Back  
Ideal for Indoor and Outdoor  
General Surface Applications  
8 Year Warranty, Roll Width 12'

### **EZ Tee®**

EZ Tee® Broadloom Tufted Nylon  
Pile Height 1 1/4" Pile Weight 115 oz. / square yard  
Primary Backing-Stabilized, Dual Layer, Woven Polypropylene  
Secondary Backing – 25 oz Urethane  
**147 oz/sq yd Total Weight**  
Used for Tee Line and Hitting Mats  
1 Year Warranty Installed over any Compacted Sub Surface or Concrete.  
Roll Width is 5,6,7,10,12 or 15 feet.

### **Polypropylene Putting Surface**

PP75 Broadloom Tufted Polypropylene  
Pile Height 7/8" Pile Weight 27 oz/ square yard  
Primary backing: Stabilized Woven Polypropylene  
Secondary backing: 20oz. Urethane  
Used for outdoor installations  
8 Year Warranty  
Stimpmeter reading 7-10 plus Roll Width 12'

### **Super Poly**

Super 125 100% Polypropylene  
Pile Height 1 1/4" Pile Weight 34 oz/ square yard  
Primary Backing: Stabilized Dual Layered Woven Polypropylene  
Secondary Backing: Urethane Scrape-Coat  
Infill Recommended  
Ideal for high wear lawn areas or target turf  
8 Year Limited UV Warranty. Roll width 12'

### **Poly Tee**

PTL 125 Monofilament Polypropylene  
Pile Height 1/4" Pile Weight 120 oz/ square yard  
Primary backing: Dual Primary  
Secondary backing: 25oz. Urethane  
Used Tee Boxes and Driving Ranges.  
1 Year Warranty. Roll Width 15'

### **SoftLawn® PetTurf**

PT 100 Blended Polyethylene and Nylon  
Pile Height 1" Pile Weight 50 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 20 oz. Urethane  
Infill Recommended  
Install over concrete or compacted base  
Drains at 14" of water per hour  
8 Year Warranty, Roll Width 12'

### **SoftLawn® Perennial Rye**

SPR 138 Broadloom Tufted Polyethylene  
Pile height 1 12/32 Pile weight 40oz /square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 20 oz. Urethane  
Infill Recommended  
Ideal for Outdoor Lawn Applications  
8 Year Warranty Roll Width is 12'.

### **SoftLawn® Bermuda**

SB 175 Blended Polypropylene KDK and Polyethylene Monofilament  
Pile Height 1 3/4" Pile Weight 60 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 20 oz. Urethane  
Infill Recommended  
Install over concrete or compacted base  
Ideal for Playgrounds  
8 Year Warranty, Roll Width 12'

### **SoftLawn® Playground System**

SPS 175 Blended Polypropylene KDK and Polyethylene Monofilament  
Pile Height 1 3/4" Pile Weight 60 oz. / square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 20 oz. Urethane  
Infill Recommended  
Install over fall zone or compacted base  
Ideal for Playgrounds  
8 Year Warranty, Roll Width 12'

### **SoftLawn® UF Playground System**

SPS 175 Blended Polypropylene KDK and Polyethylene Monofilament  
Pile Height 1 3/4" Pile Weight 60 oz. /square yard  
Primary Backing: Stabilized Woven Polypropylene  
Secondary Backing: 3 mm Urethane Foam  
Infill Recommended  
Install over fall zone or compacted base  
Ideal for Playgrounds  
8 Year Warranty, Roll Width 12'

### **SoftLawn® Kentucky Blue**

SKB 175 Blended Polyethylene and Nylon  
Pile Height 1 3/4 Pile Weight 60 oz. / square yard  
Primary Backing: 805 oz Double backing woven plus 13 pick woven  
Propex or Tencate double backing with fleece  
Secondary Backing: 24oz Urethane with holes  
Infill Recommended  
Ideal for outdoor lawn applications  
8 Year Warranty, Roll Width 15'

### **Bocce Turf 5mm**

100% Nylon  
Pile Height 3/8" Pile Weight 27 oz. / square yard  
Primary Backing: Stabilized Woven and unwoven Polypropylene
